

## **U.S. Assistance to Haiti as of May 27, 2005**

- In July 2004, the U.S. government pledged \$232 million in aid money to Haiti for the 2004 and 2005 fiscal years.
- Since then, the U.S. government has increased its assistance budget to Haiti by \$170 million to over \$402 million, which includes:
  - \$68 million in food aid
  - \$52.5 million for recovery from Tropical Storm Jeanne, and other disaster relief
  - \$61 million for the fight against HIV/AIDS
  - \$31 million for long-term economic growth
  - \$35.5 million to support civil society, education, and the elections
  - \$51.5 million to support the Interim Government
  - \$39.5 million for health and family planning
  - \$25 million for police assistance and judicial reform
  - Over \$32 million on other programs including electricity support, support to the OAS, and other programs focused on building economic prosperity and democracy
- The U.S. has disbursed \$132.5 million since July 2004 in a variety of areas including:
  - \$34 million for food assistance.
  - \$25.5 million in direct support to the Interim Government of Haiti.
  - \$18 million for health activities including work against HIV/AIDS and assisting Haitians with family planning.
  - \$23.3 million between July 2004 and March 2005 to keep the electricity on in Port-au-Prince.
  - Nearly \$16 million on flood relief and recovery efforts.
